**PLAN FOR THE DEVELOPMENT OF SOCIAL ACTIVITIES FOR  
STUDENTS IN THE INI PROGRAM, 2023-2029<sup>+</sup>**

**Pristina, 2023**

## **PREFACE/ INTRODUCTION/**

---

Based on the Development Strategy of the Faculty of Civil Engineering (Construction) and Infrastructure, as well as in order to fulfill the comments given by the international evaluator during the period of the re-accreditation process of the Faculty of Civil Engineering (Construction) and Infrastructure for the academic years 2020/ 2021 to 2022/2023, the management structure of the Construction Engineering (Construction) and Infrastructure program has drawn up the Plan for the Development of Social, Cultural, Sports and Recreational Activities for Students in the Faculty of Civil Engineering (Construction) and Infrastructure, 2023-2026+.

## **PURPOSE**

---

This plan aims to provide infrastructural and financial conditions for the development of social, cultural, sports and recreational activities and actions for all students included in the Bachelor and Master level study program.

## **OBJECTIVES**

---

To contribute and facilitate the socialization process of students in the Faculty of Civil Engineering (Construction) and Infrastructure through the organization of social, cultural, sports and recreational activities for the students of the INI program and participation in joint activities with students from local, regional, European universities and beyond.

## STEPS TOWARDS DRAFTING AND FINALIZING THE PLAN

---

The drafting of the Plan for the Development of Social, Cultural, Sports and Recreational Activities (PZhASKSR) for Studnet in the Faculty of Civil Engineering (Construction) and Infrastructure, 2023-2026+, will follow several steps until its finalization.

1. From the beginning of the new academic year, the academic staff of the Faculty of Civil Engineering (Construction) and Infrastructure, specifically the dean's office, will organize a working meeting with the students of the two levels (separately) to inform them of this development initiative;
2. The students will propose their leaders and this for each of the years in the two levels by one leader and four members;
3. Formation of teams in social-cultural, sports and recreational disciplines (it is proposed to form teams for the organization of forums, debates, etc., student teams, football, basketball, volleyball and chess teams, as well as teams for hiking in nature).
4. Election of the president and members of the student presidency at the Bachelor and Master level.
5. Drafting of the Work Regulations;
6. Drawing up a dynamic Plan for the development of activities for each year;
7. Drawing up a calendar for the meetings of the student leadership and for the activities that will be held within the INI program for social, sports, cultural, recreational issues;
